HAM HOLIDAY 2024

ARRL Oklahoma Section Convention and Amateur Radio HamFest

This annual event started in 1974 and brings together amateur radio operators from across the region. HamFests are a great place to buy parts, radios, and related gear. You can also get licensed or upgrade your license **for FREE**. Find out more about the hobby, obtain everything you need to get on the air and stay there.

This year, we're still at the Oklahoma City Community College (OCCC), 7777 S. May (I-240 & May). We will fill it with vendors, forums, amateur radio tests, and flea market tables. ARRL / ARES / Digital / Youth forums. Discount tickets are available **online at HamHoliday.com**

\$10 advanced / \$12 at the door. \$20 gets admission plus five additional raffle tickets. Extra prize raffle tickets are always available for \$2. After the Friday session, we will have our banquet. Banquet tickets are \$35. There will be a **Wouff Hong** ceremony at 9:00 pm after the banquet for ARRL members.
