

EARS FIELD DAY 2026

★ 24 HOURS. CONNECTING COMMUNITIES. PRACTICING READINESS. ★

ARRL Field Day is the largest annual on-the-air operating event in amateur radio. Thousands of hams across North America set up temporary stations to practice emergency communications, test equipment, and demonstrate the versatility and importance of amateur radio.

EARS IS EXCITED TO ONCE AGAIN PARTICIPATE IN FIELD DAY 2026!

AIR-CONDITIONED WESTERN SHELTER CONFIRMED!
Thanks to the Oklahoma County Health Department, we have secured a large air-conditioned Western Shelter for Field Day 2026!

VOLUNTEERS MAKE IT HAPPEN!

Field Day is a team effort. Whether you can help for one hour or the entire weekend, we need **YOUR HELP!**

EQUIPMENT STATUS

ANTENNAS SECURED

- Tri-band beam on tower trailer
- 6m beam on shorter tower
- Buckmaster 160m OCFD
- Multi-band vertical

RADIOS

We currently have 2–3 of the radios needed. We could still use 1 or 2 additional radios so we have a spare while getting set up.

COMPUTERS

Matthew is working on getting the club computers from the EOC and preparing them for logging.
